

How to Make Your Study Abroad Deposit Online

You or a family member that is an authorized payer on your student account may pay the study abroad deposit online. To do so, please follow the instructions below and then **upload your receipt of payment along with the Participation Policy to your My Study Abroad page.**

Step 1: Log into MyPurdue to get to TouchNet. You will see a "View My Balance" under the "Student Account" header that logs you into TouchNet. Authorized Users should log in as they normally would to pay a bill for their student.

The page below is what Authorized Users see after login since they do not go through MyPurdue.

Step 2: The payer should click the Deposits link in the toolbar.

Step 3: The semesters available are in the "Select Term" drop down box. **IMPORTANT:** Select the semester you or your student will study abroad, NOT the current semester.

Please note that "winter break" programs will select spring as the deposit term.

Pick the appropriate semester, and then click the "Select" button.

Step 4: Select the correct deposit from the list. There will be multiple deposit choices but you need to select "Study Abroad Deposit"

The screenshot shows the 'Deposit Payment' page on the Purdue University website. The page has a navigation bar with 'My Account', 'Make Payment', 'Payment Plans', 'Deposits', 'Refunds', and 'Help'. The main content area is titled 'Deposit Payment' and has a progress bar with four steps: 'Amount', 'Payment method', 'Confirmation', and 'Payment Receipt'. The 'Amount' step is currently active. Below the progress bar, there are two sections: 'Select Term for Deposit Payment' and 'Select Deposit Payment'. The 'Select Term for Deposit Payment' section has a dropdown menu set to 'Summer 2018' and a 'Select' button. The 'Select Deposit Payment' section has a dropdown menu set to 'Study Abroad Deposit' and a 'Select' button.

Step 5: Once the deposit is selected, the next step shows the amount of the deposit, which is \$500. To start making the payment, the payer should click the "Continue" button.

The 'Select Deposit Payment' section has a dropdown menu set to 'Study Abroad Deposit' and a 'Select' button. Below these sections, there is a table with the following information:

Study Abroad Deposit	
Deposit name:	Study Abroad Deposit
Term:	Summer 2018
Maximum payment amount:	\$500.00
Payment amount:	\$500.00

At the bottom of the page, there are two buttons: 'Continue' and 'Cancel'.

Step 6: Select payment method. This is the same as a regular payment for tuition/fees. Select the method of payment (a previously saved bank account number shown by its nickname, new electronic check, or credit card via PayPath) and then follow the instructions on the page. Note: the following pages detail the different payment options, if you are familiar with these steps you may skip to the last page of instructions for the final step.

Below the dropdown menu, there are two buttons: 'Back' and 'Cancel'. At the bottom of the page, there is a note: '*Credit card payments are handled through PayPath®, a tuition payment service. A non-refundable service fee will be added to your payment.' Below the note, there is a section titled 'Electronic Check' with the following text: 'Electronic check payments require a bank routing number and account number, or savings account. You cannot use corporate checks, i.e. credit cards, home equity, traveler's checks, etc.'

To pay by electronic check

Previously saved bank account numbers (personal checking or savings) do not require any bank information at the time of the payment. You and/or an authorized user may save account information, but it is only available on the login where the information was saved. It is not required to save bank account information and many users choose not to do so.

Any previously saved bank account number is shown in the drop down box by the name the user entered. In this example, "test check" is a previously saved bank account number.

"New Electronic Check" requires the bank's routing number and bank account number – **not the number on the front of a debit card**. "Name on account" is the person's name on the account at the bank. If you are not sure what the routing number or account number is, you should ask your bank how that bank wants the information entered for an ACH withdrawal.

Below is an example of what is required to enter to pay by electronic check:

The screenshot shows the 'Deposit Payment' interface on the Purdue University website. It includes a navigation bar with 'My Account', 'Make Payment', 'Payment Plans', 'Deposits', 'Refunds', and 'Help'. The main form is titled 'Deposit Payment' and has tabs for 'Amount', 'Payment method', 'Confirmation', and 'Payment Receipt'. Under 'Payment method', the amount is \$500.00 and the selected method is 'New Electronic Check (checking/savings)'. A 'Select' button is visible. Below this, there are fields for 'Account type', 'Routing number', 'Bank account number', 'Confirm account number', and 'Name on account'. A yellow warning box contains the text: 'You can use any personal checking or savings account. Do not enter other accounts, such as corporate account numbers, credit cards, home equity, or traveler's checks. Do not enter debit card numbers. Instead, enter the complete routing number and bank account number as found on a personal check.' There are also 'Refund Options' at the bottom.

To pay by credit card

The Credit Card through PayPath® payment method has a convenience fee of 2.75%. This information is displayed three times before the payment is finalized.

The first two warnings about additional fee are before credit card information is entered.

Below are some examples of what you will see if you select to pay by credit card:

The screenshot shows a 'Welcome to the PayPath Payment Service!' message from Purdue University. The text reads: 'This service allows you to make credit or debit card payments for Purdue University Main Campus student accounts. A non-refundable PayPath Payment Service fee of 2.75% will be added to your payments.' Below this is a 'Transaction Details' box with 'Student ID: 017463201' and 'Term: Fall 2015'. At the bottom, it says 'PayPath Payment Service accepts:' followed by logos for American Express, Discover, Diners Club International, Mastercard, and Visa. There are 'Continue' and 'Cancel' buttons at the bottom.

The next page repeats the warning on convenience fee.
